

Irrigated Land Ready for the Plow

600 ACRES

300 Under Ditch

60 in Alfalfa and 70 in Oats This Year

Alfalfa, 3 cuttings, annual yield 4 to 6 tons per acre, oats 50 bushels and better per acre this year—plenty of water the year 'round, Rayado River runs through this tract which has original and permanent water right. Ten miles south of this city—joins lands of Miami colony which have this year yielded off first year lands 40 to 80 bushels per acre oats, 33 bushels wheat and barley, 3 cutting of alfalfa and vegetables galore, three miles below the Abru ranches which have shipped 20,000 pounds of plums and has healthy apple trees in bearing heavy yields for the past 35 years, and pears and other fruits as good as any.

This 600 acre tract is now on the market for a limited time at \$22.50 per acre if sold all together. Miami Land joining it on the south has been sold this year and last for \$40 to 80 per acre in small tracts. This must go all together, and hence the very low price for irrigated land with an abundance of water for irrigation.

There is good school and church one mile south of this tract, also the store and postoffice of Miami.

For any further information wanted about the country or climate, write the News, Tucumcari, N. M.

Don't Wait. Always make up your mind to come to a good country where you can grow all the fruit and cereals you want and can make it rain whenever you get ready.

to Kirk Sunday to attend the singing Convention. There was dinner on the ground for all and every one seemed to have a good time.

Elder Mickey closed a meeting at Jordan Friday night. There were two additions to the church. There was also very good attendance and good interest manifested throughout the meeting.

We notice in the Tucumcari Sun where our old friend Klinefelter took the red ribbon at the Tucumcari Fair in an ugly man's contest. We are in full sympathy with brother Kline for we got a similar reward at a box supper once and we know that it is a put up job and done at the hands of some jealous rival.—Rocky, Okla., Record.

Brother Robinson is mistaken when he says that "Uncle Kline" took the red ribbon. He took the blue ribbon, which denotes first prize. There was nothing ahead of the winner.
